We used to leave the blue lights on and there was a
beat

Ever since you have been gone it's all caffeine-free

Faux punk fatigues

Said it all before

They try to kick it, their feet fall asleep

Get no harm done no

None of them want to fight me

Combat baby come back baby

Fight off the lethargy

Don't go quietly

Combat baby

Said you would never give up easy

Combat baby come back

Get back in town I wanna paint it black

Wanna get around

Easy living crowd so flat

Said it all before

They try to kick it, their feet fall asleep

I want to be wrong but

No one here wants to fight me like you do

Combat baby come back baby

Fight off the lethargy

Don't go quietly

Combat baby

Said you would never give up easy

Combat baby come back

I try to be so nice

Compromise

Who gets it good?

Every mighty mild seventies child

Every mighty mild seventies child

Beats me

Do doo doo doo

Combat baby come back baby

Combat baby come back
Bye bye bye bye bye bye baby
Combat baby come back

How I miss your ranting
Do you miss my all time lows
