The lack of light, hollow sea
Poison beaches, limousines
Toothless dentists, cops that kill
Can't stop shopping, I can't

I can't stop the lonesome lows
Don't just go away overnight
Doctor Blind, just prescribe the blue one
(Here's to you, Mrs. Robinson)
If the dizzying highs don't subside overnight
Doctor Blind, just prescribe the red one
(Hey hey hey, hey hey hey)

Da da-da
Da da, da da, da da, da

Another one too cold to touch
Can't stop smiling, cries so much
For square-faced man in prime-time
Her mind's a padded room
Whenever she gets that shrink-wrap paper pill in her
hand again
The first to let us know, she is not the perfect woman
And neither are you, who can't stop shopping, I can't

I can't stop the lonesome lows, don't just go away
overnight
Dr. Blind, just prescribe the blue one
(Here's to you, Mrs. Robinson)
If the dizzying highs don't subside overnight
Dr. Blind, just prescribe the red one
(Hey hey hey, hey hey hey)
