Yo, I?m just giving out sounds

Tell me what you want and what you really, really wanna do  
Tell me, baby girl, if your love is really really true  
Tell me what you want and what you really, really wanna do  
Tell me, baby girl, hey  
And no have me like no yo-yo  
If you really love me let it flow-flow  
And if you don?t love me let me go-go  
But I think the rude bwoy gon? let you know-know that
