Say you wanna get in
And then you wanna get out
When you get the money
To buy yourself a castle
How will you wear your leisure
Zipper back and front
On the fence together
Weekends in leather

Flip to the right
Slip back to the left
For handshakes at the ranch
Small talk at the crossroads
Rubbing up to the ladder
Sucking on every rung

Coming up forever and hanging on

That's entertainment
When the cameras roll
Can you face the pavement
For a happy dog and pony show
Everybody loves you baby
Of coarse they do
Do you miss me
I miss you

Buy this car to drive to work
Drive to work to pay for this car
