"Japanese Girl"

I've never felt alone
In a city so busy
Baby when you give it to me
Girl you look so pretty

I hope you never leave me
And I promise to stay
But if you say it back
I won't believe you anyway

You move so fast
In the sac it comes quick
By the end of the night
It's you I'm gunna pick

Don't say you love me
Cause you sound so fake
I see that you're my mistake

My little Japanese girl
My Tokyo baby
My little Japanese girl
You drive me crazy

I can't understand a single word you say
But until the morning it's here we'll lay

I know I sound crazy
But with you I feel sane
Deep in my heart
I know you're so vain

You move so fast
In the sac it comes quick
By the end of the night
It's you I'm gunna pick

It's your body
To me you'll give
So come on let's live

My little Japanese girl
My Tokyo baby
My little Japanese girl
You drive me crazy

Baby baby
Bend on it with your lips now
And shake it off
Show me with your hips now
(X2)

My little Japanese girl
My Tokyo baby
My little Japanese girl
You drive me crazy
(X2)

Oh ooo oh oh
Oh oh ooo oh oh
(X8)
