When you walk with my back up  
Any woman with no make up  
How you gonna sing at all?  
Fight what I fake up  
Fake what I made up  
How we gonna sing at all?

All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the way...

Walk with my back up  
Woman with no make up  
How you gonna sing at all?  
When you gave what I gave up  
Fake what I figured  
How we gonna sing at all?

All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the wire...  
All the way...

Haven't got long to live  
Haven't got long to live  
Haven't got long to live  
To live  
To live

All the wire...  
All the wire...  
All the wire...  
All the wire...

All the wire...  
All the wire...  
All the wire...  
All the way...

Haven't got long to live  
Haven't got long to live  
Haven't got long to live  
To live  
To live
