(You know we're moving along)  
[X4]

I wish I could have told you  
All the things I wanted to say  
In the sheets  
I kept real quiet  
Emotions are useless  
That's what I'd say  
I remember when you broke down  
On the metro  
Just to tell me  
"Love is real"  
(Love is real)  
But that's not how I feel

You get close  
I keep my distance  
I never thought I would miss this  
I think somethings going wrong  
You can feel it in this song  
[X2]

(You know we're moving along)  
[X2]

I never felt more like dying  
When you left  
I felt so empty  
My body aches  
I'm so damn cold  
I still can feel you inside of me  
Now I feel  
Like nothings working  
This pain is growing  
Now I'm asking  
Was it real  
(Was it real)  
I can't stop what I feel

You get close

I keep my distance  
I never thought I would miss this  
I think somethings going wrong  
You can feel it in this song  
[X2]

(You know we're moving along)  
[X2]
