Steal once, pay twice
Advice to head, I won't, I might
Advice to head, steal once, pay twice
Advice to head, I won't, I might
Advice to head

Steal once, pay twice
Advice to head, I won't, I might
Advice to head, steal once, pay twice
Advice to head, I won't, I might

Advice to head
You always said that love was not enough
Always on the move
(Advice to head)
Even though we're wrong to shut it up
We could never choose
(Advice to head)
Now we know there's nothing waiting up
Better than the truth
(Advice to head)
I wanted to be part of something
I've got nothing but time
So the future is mine
I wanted to be part of something
I've got nothing but time
So the future is mine
I wanted to be part of something
I've got nothing but time
So the future is mine
