Get straight and wait here while I try to find the exit  
sign

When will you stop asking strangers, no one wants  
what we want

Keep one eye on the door, keep one eye on the bag  
Never expect to be sure

You're working for the police, the private  
The pirates, the pilots  
Fingerprinted waiting for the train  
The doctor, the writer, the hairdresser  
Felt up and fingerprinted waiting for the train

Lord, Lord mother, we are all losing love  
Lord, listen lover, we are all missing mama  
Lord, Lord mother, we are all losing love  
Lord, listen lover, we are all missing something I don't  
got

There's a place that ends here I know  
When they close the gates I'll cry  
I'm so tired of never sleeping  
The whole world wants what we're on

Didn't make this up, I learned, I learned it from a friend  
My friend is coming clean, she told me  
Keep one eye on the door, keep one eye on the bed  
Never expect to be sure who you're working for

You're working for the police, the private  
The pirates and pilots  
Fingerprinted waiting for the train  
The doctor, the writer, the garbage collector  
Fingerprinted waiting for the train

Lord, Lord mother, we are all losing love  
Lord, listen lover, we are all missing mama  
Lord, Lord mother, we are all losing love  
Lord, listen lover, we are all missing mama

Lord, Lord mother, we are all losing love  
Lord, listen lover, we are all missing mama

Lord, Lord mother, we are all losing love  
Lord, listen lover, we are all missing love

Got to get out, got to get to you  
The orphanage is closing in an hour
