Climb tClimb the wall to make the sun rise in time  
But the night had already begun  
Climb the wall to make the sun rise in time  
But the night had already begun

Now here I am, I am the one  
So hang high soft star  
Don't shine, before swine

Not a lot of room to move, but where's my guide  
I tried looking up to you girls  
Please correct me, but didn't you let the work slide  
Capitalize on a novelty, cheap pink, spotlight.  
Is it all right?

Choose the highest bidder was my answer  
When they told me I was up for sale  
Schoolyard, Junior high style  
Bullies have always tried to buy the better girls  
But failed now, the cheque is in the mail.

Bubblegum bought Martini  
Is nothing like dÃƒfÂ©panneur red wine  
Travel through time  
Who were you after you were mine

Choose the highest bidder was my answer  
When they told me I was up for sale  
Schoolyard, junior high style  
Bullies have always tried to buy the better girls  
Haven't they?

Choose the brightest future  
Mind the death  
And try to buy the better girls  
But failed 'till now  
Cheque is in the mail

So hang high  
Soft rock star  
Hang high  
Soft rock star

Don't shine before swine

Choose the highest bidder was my answer  
When they told me I was up for sale  
Schoolyard, junior high style  
Bullies have always tried to buy the better girls, haven't  
they?

Choose the highest bidder was my answer  
When they told me I was up for sale  
Schoolyard, junior high style  
Bullies have always tried to buy the better girls  
But failed now, cheque is in the mail.
