Would you still want to see me,
if you knew how i feel?
You claim you still love him,
I can't see how it's real.
We went out for just a drive,
it turned into the story of your life.

I've never met a girl as beautiful as you.
It may be a craze I may get over it soon.
I think if he loved you,
he'd never make you cry,
then we both hugged,
and we said goodbye.
Goodbye.

Don't speak,
I'm dying cause I know it all.
Don't leave,
he's only gonna let you fall.
I'm here,
you know that you can have it all.
Take me,
I'm never gonna let you fall.

How's it feel, hurting all the time?
Tell me what it's like,
putting up with all his lies.
Stick with me,
and we could leave this town.
Never look back,
it's part of the past now.

Don't speak,
I'm dying cause I know it all.
Don't leave,
he's only gonna let you fall.
I'm here,
you know that you can have it all.
Take me,
I'm never gonna let you fall.
