Things started out great
Just like in every song they do
We said we do our part
You say you do your part too
And look what happens when
Someone gets too much control
We put our trust in you
Now what have you got to show?

You said you'd take us on tour
We took you at your word
We thought it was an honest deal
And now we see that was absurd
And look what happens when
Someone gets too much control
We put our trust in you
Now what have you got to show?

Rockin' the van
Rockin' the van
We don't need no plan
Rockin' the van

You said you'd take us on tour
We took you at your word
We thought it was an honest deal
And now we see that was absurd
And look what happens when
Someone gets too much control
Now calendars and punk?
Won't keep us from our goals

You think you can get to us
But you are oh so wrong
You think you're better than us
But we are just better off

You think you can get to us
But you are oh so wrong
You think you're better than us
But we are just better off

Now calendars and punk?

Rockin' the van
Rockin' the van
We don't need no plan
Rockin' the van
