You try to bring me down
I get around you every time
I assess the situation wonder if you're worth m time
You try to pull me in but no I won't go

Sometimes I think how about just how crazy you must
be
To be driven by the streams of popularity
You try to suck me in but no I won't go

Why do you chase me I'll just never know
I'm tired of this game it's all just for show
You're dyin' by tryin' so please let me go

Why do you chase me I'll just never know
I'm tired of this game it's all just for show
You're dyin' by tryin' so please let me go

Why do you chase me I'll just never know
I'm tired of this game it's all just for show
You're dyin' by tryin' so please let me go

Why do you chase me I'll just never know
I'm tired of this game it's all just for show
You're dyin' by tryin' so please let me go
Let me go
