"Dying Again"

This is not legal
and surely isn't fair
every morning and every night
I've been tryin'to forget
and now that I was close
so close to the end
you just pick up the phone

I am falling again
I am falling again
I'm falling again
I am falling...

gee, I'm so frightened
by the weakness I show
seems like all my constructions
can be blowed out with a straw

I am dying again
I am dying again
I'm dying again
I am dying...

could I ever stop this pain
will I ever live again
I don't want to be your friend
there's no reason to pretend
see, I'm...

crying again
I am crying again
I'm crying again
I am crying...

This is not legal
and surely isn't fair
every morning and every night
I've been trying to forget
but I haven't got the strenght
to put you apart
so once in your life be a man
and leave me, 'cause already started

dying again
I'm dying again
I'm dying again
