"Lazy Susan"

Lazy Susan, sits spinnin' on the table
Meanwhile ol' Jesus, sits laughin' on my arm
Susan said hey Jesus, welcome to the banquet
Like I told you, the kingdom weren't far

Keep on spinnin' Lazy Susan
I can't reach, but you can turn
Don't you forget, Lazy Susan
What you bring to me I can't earn

Cousin Ed, bellied up to the feast
Started talking 'bout our liberation
He asked Jesus, when you gonna save us
He said don't worry Ed, already it's been done

Fella next to me seemed a bit surprised
As he took a gander at all of those around him
Susan spun, and his noose came unraveled
We all did a toast for the man who'd been unbound
