Every night in my dreams  
I see you, I feel you  
That is how I know you go on

Far across the distance  
And spaces between us  
You have come to show you go on

Near, Far,  
Wherever you are,  
I believe that the heart does go on

Once more, you opened the door  
And you're here in my heart and  
My heart will go on and on

Love can touch us one time  
And last for a lifetime  
And never let go till we're gone

Love was when I loved you,  
One true time I hold to  
In my life we'll always go on

Near, far,  
Wherever you are,  
I believe that the heart does go on

Once more, you opened the door  
And you're here in my heart and  
My heart will go on and on

You're here, there's nothing I fear  
And I know that my heart will go on

We'll stay, forever this way  
You are safe in my heart and  
My heart will go on and on
