Come on feel the fire
That burning desire
To loose all control tonight
That feeling of rage
Let it take you away
Let loose that tiger from it's cage
Nearing the countdown
Living on the edge
Release your desire to fly
Riding the lightning
Straight to the top
We'll fly on...
Wings of rage
Can't stop this fire
It's burning way too hot
We'll fly on...
Wings of rage
Fly high!
Oh children of sin
I'll let you all in
On a secret that we all know
There is a power
Somewhere deep inside
When find it
Let it go
Come on and join the rest
Put your mind to the test
Harness that electric spark
Take on the lead
Get from the lead
Strive on reach your mark
