Tonight we'll be flying  
That burning desire  
To lose all control tonight  
That feeling of rage  
Let it take you away  
Let loose that tiger from it's cage

Nearing the countdown  
Living on the edge  
Release your desire to fly  
On wings of rage

Oh children of sin  
I'll let you all in  
On a secret that we all know  
There is a power  
Somewhere deep inside  
When find it  
Let it go

Nearing the countdown  
Living on the edge  
Release your desire to fly  
Riding the lightning  
Straight to the top  
We'll fly on wings of rage  
Can't stop this fire  
It's burning way too hot  
We'll fly on wings of rage  
Fly high

Come on and join with the rest  
Put your mind to the test  
Harness that electric spark  
Take on the lead  
Get from life what you need  
Strive on to reach your mark

Nearing the countdown  
Living on the edge  
Release your desire to fly  
Riding the lightning

Straight to the top  
We'll fly on wings of rage  
Can't stop this fire  
It's burning way too hot  
We'll fly on wings of rage  
Riding the lightning  
Straight to the top  
We'll fly on wings of rage  
Can't stop this fire  
It's burning way too hot  
We'll fly on wings of...  
Wings of rage
