Walk on my baby
She's great
She's lonely linky
Ain't have nothing to eat
She's my baby
And I love her just the same
Crazy about this girl cause
Caledonia is her name

Caledonia, Caledonia
What makes you big yet so hard
I love her, yea
I love her just the same
Crazy about this woman crying time
Caledonia is her name

You know what?
(What's that?)
You know my mama told me to
Deal that girl long you know that?
(Ah your mama definately knew some)
I ain't lying boy
You see my mama didn't
Understand the girl too much
And she didn't like her, you see?
So I think
I walk her down to the house
One more time
And just trying to call out
See if she ask me

Caledonia, Caledonia
What makes your big head so hard
I love her
Yea I love her just the same
Crazy about this woman cause
Caledonia is her name

Know you know
(What's that?)
My mother said
Leave that woman alone

Ah, your mama
No she said so
She would bet if you be around
You see my mama was good
For booing it down for the idea
So now I think
I go back to the house
And just talk to her
Just one more time
That's what I'm gonna do

Caledonia, Caledonia
What makes your big head so hard
I love her, yea
I love her just the same
Crazy about this woman there
Caledonia is her name

Caledonia, Caledonia
What makes your big head so hard
I love her
Yea I love her just the same
Crazy about this woman cause
Caledonia is her name

I love that girl
