You're playing with fire
Getting oh so tired
You need to slow down
It's gonna be around, so, so tired

You're playing with fire
You're a go-go liar
You need to hold on
I gotta be strong, I gotta fight

Cause if loving you is wrong, I don't want to be right
Cause if loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be right
I just want to be right by your side

You're playing with fire
Make me go-go higher
I need a hold on
I gotta be strong and I gotta fight

Cause if loving you is wrong, I don't want to be right
Cause if loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be right
I just want to be right by your side

And I need a reason to believe you
And you need a reason to receive me
I really hope I'm wrong
Cause I don't want to be right

If loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be, I don't want
to be, I don't want to be right
If loving you is wrong, I don't want to be right
I just want to be right by your side
If loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be right
If loving you is wrong, I don't want to be, I don't want
to be, I don't want to be right

I just want to be right by your side
