You could tell me the recipe  
For your mystery  
Â‘Cause you're tenderly  
Deliciously in front of me  
When you won't go  
Sharing it with me and  
Savoring it for me to see  
Well, we're spread like  
Islands in the sea (yeah)  
We're goin' to  
Archipelago

Every day you turn me on  
With your vesturing  
And your manner of temptation  
Better tame me  
And your landform is a chain  
The islands I am dreaming  
Â‘Cause you're cerebrating  
This day with me  
And we went completely  
Archipelago

Maybe we'll stand on  
A deserted island dream  
Maybe we could hear the song  
And stay here endlessly  
As islands in the sea  
It can be  
Archipelago

Every day I burn you  
In my memory  
And the days are gonna  
Place me in your mind  
Is the day going surreal again  
When celebrating  
This ring of gold  
Â‘Cause you first got  
To know loving me  
When we fell completely

Archipelago

Â'Cause you held out  
For sand and sea  
And your heart completely  
Archipelago  
You weren't gonna  
End my dreams  
You're my world completely  
Archipelago

Had to be, Archipelago  
You and me, Archipelago  
Sand and sea, Archipelago  
You and me, Archipelago
