You and me, you and me
Looking over the horizon
Seeing the crimson skies
In your eyes
I know, I glow

You and me, you and me
Watching the waves
Lap upon our feet
On the sunset beach
You know, I go

Down at Carlito's Way
You and me, you and me
Holding hands together
Wondering if
The full moon tonight
Will turn to life with you, I do

You and me, yes, you and me
Making love together
All along the sandy shores
Where I want you
More each day

At Carlito's Way

You and me,
It's you and me, yes
Looking over the ocean
Seeing the starry skies
Are in your eyes
It's true, I do

You and me, baby
You and me (yeah)
All alone together
Along the sandy shores
Where I love to go with you

Down at Carlito's Way

At Carlito's Way
At Carlito's Way (dooh)
At Carlito's Way
