resh out the box
Stop, look, and watch
Ready yet, get set
It's All That!

Chorus:
Oh, oh, oh this is All That
This is All That!

Check it, check it, check it
Now this is just an introduction before
I blow your mind
The show is All of That and yes we do it all the time
So sit your booty on the floor or in a chair
Ground or in the air

Just don't go no where
Cuz everything we do
It's all of that!
When entertaining you
We all of that!
My posse and my crew
It's all of that!
So sit still cuz we're coming right back
