(appears on All That The Album)

Fresh out the box  
Stop, look, and watch  
Ready yet, get set  
It's All That!

Chorus:

Oh, oh, oh this is All That  
This is All That!

Check it, check it, check it  
Now this is just an introduction before  
I blow your mind  
The show is All of That and yes we do it all the time  
So sit your booty on the floor or in a chair  
Ground or in the air  
Just don't go no where  
'cause everything we do  
It's all of that!  
When entertaining you  
We all of that!  
My posse and my crew  
It's all of that!  
So sit still 'cause we're coming right back
