Au-to-matic
Doo, doo, doo, doo, doo
(Doo)
(Yeah)
Doo, doo, doo, doo, doo
(Doo)
(One)
Doo, doo, doo, doo, doo
(Doo)
(Two three)
Au-to-matic
(Doo)
Doo, doo, doo, doo, doo

(Au-to-matic)

I remember when I fell for you
(Au-to-matic)
It wasn't when I wanted to
(Au-to-matic)
But you were actin' so into me
Au-to-matic
(Au-to-matic)
It went real good for a month or two
(Au-to-matic)
Just like every relationship
(Au-to-matic)
We got up on the trust tip
(Au-to-matic)
And can't get it baby
(Au-to-matic)
(Au-to-matic)

I knew when he started to change
(Au-to-matic)
We could never be the same
(Au-to-matic)
I could do it when you do it to me
Au-to-matic
(Au-to-matic)
I know if it came to be
(Au-to-matic)
We would get a chance to see
(Au-to-matic)
A side of each other
(Au-to-matic)
That we'd all hidden up
(Au-to-matic)
(Au-to-matic)

What do you do to make me feel
(Au-to-matic)
So good for so long?
(Au-to-matic)
Then take it back
(Au-to-matic)
And expect me to be alone
(Au-to-matic)
I can get cool
(Au-to-matic)
But if you're gonna do me wrong
(Au-to-matic)
I'll get you back
(Au-to-matic)
Baby that's just, just automatic
(Au-to-matic)
(Au-to-matic)

I remember when I met
(Au-to-matic)
The man with all the confidence
(Au-to-matic)
Every day was promises to me
Au-to-matic
(Au-to-matic)
Then you step way out of line
(Au-to-matic)
Cheat on me too many times
(Au-to-matic)
I'm trynna put you down
(Au-to-matic)
On what comes around goes back around, yeah
(Au-to-matic)
(Au-to-matic)

I knew when he started to change
(Au-to-matic)
We could never be the same
(Au-to-matic)
I could do it when you do it to me
Au-to-matic
(Au-to-matic)
I knew if it came to be
(Au-to-matic)
We would get a chance to see
(Au-to-matic)
A side of each other
(Au-to-matic)
That we've all hidden up
(Au-to-matic)
(Au-to-matic)

What do you do to make me feel
(Au-to-matic)
So good for so long?
(Au-to-matic)
Then take it back
(Au-to-matic)
And expect me to be alone
(Au-to-matic)
I can get cool
(Au-to-matic)
But if you're gonna do me wrong
(Au-to-matic)
I'll get you back
(Au-to-matic)
Baby that's just, just automatic
(Au-to-matic)
(Au-to-matic)

What do you do to make me feel
(Au-to-matic)
So good?, baby
(Au-to-matic)
Then take it back
(Au-to-matic)
And I don't wanna be your baby
(Au-to-matic)
(Au-to-matic)
I can get cool
(Au-to-matic)
But if you're gonna act lasy
(Au-to-matic)
I'll get you back
(Au-to-matic)

Baby that's just, just automatic
(Au-to-matic)
(Au-to-matic)

(Hmm)
That's
(Hmm)
Just
(Hmm)
Au-to-matic
(Hmm)
That's just, just automatic
(I feel cool)
(Au-to-matic)
That's just, just
(Au-to-matic)
That's just, just automatic
(I'll get you back)
(Au-to-matic)
That's just, just oh
That's just, just automatic
(I feel cool)
(Au-to-matic)
That's just, just
(Au-to-matic)
That's just, just automatic
(I'll get you back)
(Au-to-matic)
That's just, just baby
(Au-to-matic)
(Au-to-matic)

Doo, doo, doo, doo, doo
(Doo)
(Au-to-matic)
Doo, doo, doo, doo, doo
(Doo)
(Au-to-matic)
(I'll get you back)
Doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo, doo
(Doo)
(Au-to-matic)
Doo, doo, doo, doo, doo
(Doo)
(Au-to-matic)
(I'll get you back)
Baby that's just, just automatic
Au-to-matic
Au-to-matic
Au-to-matic
