## "Baby-Baby-Baby"

Visit "[Baby-Baby-Baby](#)" on [MotoLyrics.com](#)

And you want my love  
Well that's alright  
Well it will be there for you morning, noon and night  
But you gotta be good  
And do it right  
Ain't got no time for part-time lovin' in my life

Well you wanna be loved (uh)  
Hey that's O.K.  
Cause it falls in line right with my sexuality  
But you gotta be down  
A nickel gotta be true  
Cause otherwise this "B" ain't got no time for you

*[Chorus:]*

Oh baby, baby, baby  
I got so much love in me  
Ooh (baby, baby,) baby, baby, baby  
Cause if your're gonna get me off  
You got to love me deep

Well you want my heart (uh)  
And all my time  
Well it won't be there if you can't deal with my mind  
Cause a girl like me (uh)  
Won't stand for less  
I require plenty conversation with my sex

Long as you know that I could have any man I want to  
Baby that's actual and factual  
But still I choose you to be with me  
And work on me so you better not flake it up

Ohhhhhh

*[Chorus]*

Baby, baby, baby  
Ain't got no time for the part-time lovin'  
I got so much love in me

I gotta be loved

And that's O.K.

Baby, baby, baby  
Cause if you're gonna get me off  
You got to love me deep  
(Get me off)

Baby Long as you know that I could have any man I  
want to  
Baby that's actual and factual  
But still I choose you to be with me  
And work on me so you better not flake it up

Well you want my heart  
And all my time  
Well it won't be there if you can't deal with my mind  
Cause a girl like me  
I won't stand for less  
I require plenty conversation with my sex

*[Chorus]*

I can have any man that I want to  
Time and place that I choose to  
But I think you know that I'd rather be here with you

Yeah  
That's actual and factual  
You're the one I seem to run back to  
Just to get me off  
You got to love me, got to love me, got to love me

*[Chorus]*

Baby, baby, baby  
I want to  
Time and place that I choose to  
But I think you know that I'd rather be here with you  
(yeah)  
That's actual and factual  
You're the one I seem to run back to
