Society of soul & t-boz  
(appears on the album brainchild)

Yea sleepy brown  
What's here...  
What's here...  
Check it out (unh)

If I were u and u were me  
Would u like what you see (ha, yea)  
And tell me why u spread them lies  
About my sexuality lil' old me  
Just because u in my face  
Doesn't mean u have to erase  
What's inside of me oh can't u see  
I don't pay it no mind  
I'm just puttin' in my time  
Until he sets me free (sets me free)  
And then u'll see (you think you'll see)

Chorus:  
Ain't nothin' but changes  
Ain't nothin' but changes  
Ain't nothin' but changes

Ain't nothin' but changes

And now it seems from everything  
Someone has put a hold on me (umph, damn)  
But I just try to keep my pride  
Even though sometimes I cry (oh I cry)  
But it seems u do me wrong  
You never miss your well until your water is gone (it's  
all gone)  
But I don't pay it no mind  
I'm just puttin' in my time  
Until he sets me free and then u'll see

Chorus

Yeah, sleepy brown, society of soul  
Kickin' it with tlc

On that funk  
That real  
Y'all don't know nothin' about that  
Y'all don't know nothin' about that (yeah, umph)

Chorus
