Dear Lie

(Babyface and Tionne "T-Boz" Watkins)

1999 ECAF Music, Inc. (BMI) and Grung Girl Music  
(ASCAP)

T-Boz:

Dear lie

You suck

You said you could fix anything

Instead I'm fucked

You made things even worse for me

If I had balls I'd tell you get away from me

Guess I'm not smart

I let you unnerve me

I let you control me

Afraid the truth would hurt me

When it's you that hurts me more

Chorus:

T-Boz & Chilli:

Get outta my mouth

Get outta my head

Get outta my mind

Stop puttin' words in my head

Get outta my mouth

You're nothing but trouble

Get outta my life

Get out of me

Out of me (out of me)

Out of me

Out of me lie

Lie lie lie lie

Dear lie

You're dumb

You think you've got the best of me

You think you've won

Misread my vulnerability

I've got your balls

Now get the hell away from me

I've learned your heart

Won't let you unnerve me

Won't let you control me

The truth will only free me  
And your lies won't hurt no  
No more

Chorus

Lie lie  
I've got (I've got)  
Your balls (your balls)  
Now get the hell away from me  
I've learned your heart (your heart)  
Won't let you unnerve me  
Won't let you control me  
The truth will only free me  
And your lies won't hurt no  
No more

Chorus

Lie lie  
Dear lie  
Lie Lie Lie Lie  
Lie Lie  
Dear lie
