Welcome  
We've dedicated our entire album cover  
To any person who has ever sent us fan mail

And the future of music (fan mail)  
TLC would like to thank you  
For your support (fan mail)  
And just like you  
They get lonely too

Too many days since January  
I'm still sittin' Miss alone  
We shoulda did this already  
Said I got an e-mail today  
Kinda thought that you'd forgot about me  
So I wanna hit you back to say

Chorus:  
T-Boz & Chilli:  
Just like you  
I get lonely baby

I could really get to know you  
Take my time to show you  
Don't tell anybody what we do  
When I get lonely take me  
To another place where I'll be  
Into space just you and me  
With no rules  
Just like you  
I get lonely too

Just like you (fan mail)

T-Boz:  
Ready for us to get it on  
Ain't got a love to call steady  
Hope it ain't like that for long  
I'll be your friend if you let me  
Don't want to come on strong  
Cuz too many people wanna get me  
But a girl will do what I gotta do

Chorus

Just like you (fan mail)  
Ahhhhhhhhh  
Just like you (fan mail)  
Ahhhhhhhhh  
Just like you (fan mail)  
Ahhhhhhhhh

Just like you (fan mail)  
Ahhhhhhhhh  
Just like you (fan mail)

Ahhhhhhhhh  
Just like you (fan mail)  
Ahhhhhhhhh  
Just like you  
I get lonely too

Left Eye:  
Man we had all kinda  
Sorts of conflicting fan mail and letters  
Some parents was like  
You're the thieves and the pimps and the thugs of  
stage  
And you owe every mother in America  
A public apology

T-Boz:  
Just like you  
I get lonely too  
Every day I think I'm gonna meet ya  
Can't wait till the day I see ya  
Know that you just might be the one for me  
I get lonely too  
Every day I think I'm gonna meet ya  
Can't wait till the day I see ya  
Know that you just might be the one I need  
Just like you

Left Eye:  
Be me, do what I believe in  
And be myself  
And I suggest everyone do the same thing  
You do what makes you feel comfortable  
Do what makes you feel happy
