How do you like it when I do it just like this
Ain't nothin' but a jam
How do you like it when I do it just like that
Ain't nothin' but a keith sweat jam
How do you like it when I do it just like this
Ain't nothin' but a jam
How do you like it when I do it just like that
Ain't nothin' but a keith sweat jam babe

Yo here we go
Left eye flow

Yeah, what's up
Baby you can skinny dip in my left lip
Sip a little cat nip
Eat my punanna monanna and a little banana split
Wit' a little top notch play somebody's hopscotch
Watch as I'm plannin' my landin' in my man's crotch
Now there's a clue in persuin' what I'm doin'
I wouldn't want to ruin you and who you knew
But as I'm rolling through your x's with my triple o
I'm yellin' tic tac toe from the waist below
Yo
You say tomatoes and I say tamatas
So pick up on my lingo and ya lick up on these tatas
Me and my kitty cat is wearin' a hat to the throne
So baby take us to the end zone
I'm catchin' eighty in my shady to the top nickle
I'm the lady goin' crazy on your popsicle
And as we come a little closer to the end of the game
You know I'm taking all the sweat out your name

Jam
How do you like it baby
Jam
Come on

Jam
Don't you wanna jam
Jam
I wanna know baby
Jam
Come on
Jam
I wanna know baby
Jam jam
Ain't nothin' but my jam
How do you like it
Jam
Don't you wanna jam
Jam
How do you like it
Jam
Don't you wanna jam
