(feat. O'so Krispie)

I (I want to change my number)
Cuz you (you steady call my number)
Cuz you
Want everyone to think that (you're so over me)

But I (I know I got you open)
And you (I know you probably hoping)
That we (can maybe get together)
That's something I can't see

I bet you're still thinkin bout me
I bet you're still thinkin bout when you're with her
Cause you still be callin me (at 3:45)
And I can not believe that you are still around

Yo, why you gotta knock on my (door)
You know I don't want you no (more)
I bet your boys don't know
That you're (actin' like a ...oh!)

Said you was cool without me (but no)
You cain't do without me (I hope)
That your girlfriend knows
That you're (crawlin on all fours)

I bet you're still thinkin bout me
I bet you're still thinkin bout when you're with her
Cause you still be callin me (at 3:45)
And I can not believe that you are still around
Since you got so many confessions
Why can't you admit that you were stressin me out
I'm just glad I learned my lesson
I can't you back into my life
I'm so much happier now

Now I bet you thinkin bout me
Yo girl is Oh So Kris-pie!
Check it
My lifestyle is cool
Yeah you thinkin of me

But I ain't thinkin of you ... shoot!
Cause I'm smooth like that
Chuck D's, pretty face you remember that (oh)
You chose her
You cain't have this back
Just remember this picture in my Cadillac

I bet you're still thinkin bout me
I bet you're still thinkin bout when you're with her
Cause you still be callin me (at 3:45)
And I can not believe that you are still around

I bet you're still thinkin bout me
I bet you're still thinkin bout when you're with her
Cause you still be callin me (at 3:45)
And I can not believe that you are still around
