Sunny days  
Birds singin' sweet soundin' songs of love  
(That's so pretty girl)  
As we walk hand in hand  
Just kickin' up sand

As the ocean lands at our feet  
(Ooh)  
I'm in your arms  
And all of your charms are for me  
(Not for me)  
Check it

I need a crunk tight nigga, makes seven figgas  
Laced with a platinum, not the silver shit nigga  
X to L stigga, ten inch or bigga  
Know how to lick it and stick it, wha, wha

Now don't get me wrong 'cuz I'm not a ho  
But I know what I got you can't handle though  
'Cuz only real niggas  
(Wha)  
You don't know so what you gon' do  
What you gonna do?  
(Wha, wha, wha)

Nigga you must be crazy, what you gonna do with a  
bitch like me  
I'm so good at being bad, I'm the best you never had  
I epitomize the word sexy, nigga you must be crazy  
What you gonna do with a bitch like me, you're in my  
shh so tight  
Make you cum all night and you can't handle me, baby

Sorry I turned you out  
(You out)  
I guess I didn't know  
That a man could be so soft  
(Hmm)  
Well, I guess I have to give you back

The flowers, the candy

(What?)  
The diamonds  
(Oh no, not the diamonds)  
Oh, hell no, wait a minute  
I'ma keep that  
(Better keep it girl)

Hope that you don't mind  
I'm not the mushy kind  
(The mushy kind)  
Never real, never will  
Unh, check it

I need a crunk tight nigga, makes seven figgas  
Laced with a platinum, not the silver shit nigga  
X to L stigga, a ten inch or bigga  
A lick it from the back type nigga

Now don't get me wrong 'cuz I'm not a ho  
But I know what I got you can't handle though  
'Cuz only real niggas  
(Wha)  
You don't know so what you gon' do  
What you gon' gon' do?  
(Wha, wha, wha)

Nigga you must be crazy, what you gonna do with a  
bitch like me  
I'm so good at being bad, I'm the best you never had  
I epitomize the word sexy, nigga you must be crazy  
What you gonna do with a bitch like me, you're in my  
shh so tight  
Make you cum all night and you can't handle me, baby

I love to love ya baby  
I love to love ya baby  
I  
(Yeah)  
Love to love ya baby  
Ooh, love to love ya baby

When I'm all alone I touch myself  
And I always dreamed about someone else  
Who was so much more than la, la, la, la, la  
A good man is so hard to find  
Well, actually, a hard man is so good to find, yo, yeah  
baby

Unh, I understand you want a tour of what's inside  
Brief my safety guide before I take you on this ride  
Straight into the center, you enter my dimension

The question is protection, selected in my session

I'm on a quest I will not rest till I break it but if it's naked  
I'll take it with the batteries and fake it  
'Cuz I gotta get mine and you gotta get yours  
But never endin' it by sendin' it through shakin' door

You must be crazy to think that you can hang with me  
I try to escape the imprisonment of those defiant to me  
The epitome of your every dream it seems to me  
For intangible fantasy, you know what I mean

Nigga you must be crazy, what you gonna do with a  
bitch like me  
I'm so good at being bad, I'm the best you never had  
I epitomize the word sexy, nigga you must be crazy  
What you gonna do with a bitch like me, you're in my  
shh so tight  
Make you cum all night and you can't handle me, baby

Nigga you must be crazy, what you gonna do with a  
bitch like me  
I'm so good at being bad, I'm the best you never had  
I epitomize the word sexy, nigga you must be crazy  
What you gonna do with a bitch like me, you're in my  
shh so tight  
Make you cum all night and you can't handle me, baby

I love to love ya baby  
I love to love ya baby  
I  
(Yeah)  
Love to love ya baby  
Ooh, love to love ya baby

Ha, ha, ha, ha, ha, that's right  
Watch out there now, you can't hear me  
Huh, huh, so what you gonna do  
What you gonna do wit a bitch?

A bitch like me nigga  
(Huh)  
A bitch like me nigga  
(What?)  
A bitch like me  
A bitch like moi

Dat's a rap baby
