Bridge:

You just wanna know if you can kick some game

Come with something more clever than just your name

See it's like this I wanna take you home

But you gotta show me that your game is on

Chorus:

I've been watching you watching me
And I know you want it
But it depends on how you kick your game
I've been watching you watching me
And I know you want it
But it depends on how you kick your game

Laying against the wall I'm checking out the scenery
And all I see is everybody tryna to get with me
So I continue to play it crazysexycool
Lost all composure when I laid my eyes on you

Left eye I'm sittin' in the club (yo)
Hand full of dubs (a what's up)
Drinkin' mo' lookin' for a little sumthin' to love (huh)
Straight playa that's my steelo (yeah)
And you a 4-5-6 straight hit like cee-lo (really)
Can we go back to my crib
So I can show your mister later
How you're 'posed to live
I see you all the time but on a different note
Would you like to dance with me
Naa I'm about to go and uuh hang my coat

Chorus

Lisa lopes (huh)
It's been a month
I called you twice....you called me once
Baby come with me and be mine
So we can make love on the 50 yard line
You for me
Ha me for you
There's nothing in this world you know we couldn't do
Yeah but uh who was that girl all on your back...
Nicole
I'm just a nigga that followed you to the coat rack
