What are we gonna do Tron?  
We're gonna make 'em dance!

Now I gave you a chance  
But you couldn't do right  
When I asked you for the truth  
All you do is lie  
And I'm like  
Why the hell do I stay around?  
When I know how you get down  
Check it out

It's 2 in the morning (uh huh)  
You just came in  
And when I ask you where you've been  
You say out with your friends  
I wanna believe you  
But I can't stay with you (yeah)  
For one more day hey hey

When you had me  
You didn't want me  
Now I'm out the door  
I'm happy  
I'm so glad that we're not together  
Cuz you're so sick  
And I'm much better  
Gave my world  
I can't understand it  
Now I'm gone and you can't handle it  
I've been givin' you the cold shoulder  
Why can't you accept it's over

I do what I want to  
When I want to  
You gotta get over me  
But why do you still want me  
When I don't want you  
You gotta get over me  
All in my face  
Up in business  
You gotta get over me

I'm free to do my own thing  
So no more visits  
You gotta get over me

Oh oh oh oh oh (oh oh oh)  
Oh oh oh oh oh (oh oh oh)

I was the best that you had  
And you let me slip  
And now you want me back  
But the shoe don't fit  
And don't you  
Worry about who I'm with  
And just stay out my shhh...  
Matter fact where's the keys to your crib  
Cuz you're checkin' out  
Take the clothes for your son  
And get out my house  
I'm so fed up  
And I've had enough of the  
Games you play  
So I'm givin' up

When you had me  
You didn't want me  
Now I'm out the door  
I'm happy  
I'm so glad that we're not together  
Cuz you're so sick  
And I'm much better  
Gave my world

I can't understand it  
Now I'm gone and you can't handle it  
I've been givin' you the cold shoulder  
Why can't you accept it's over

I do what I want to  
When I want to  
You gotta get over me  
But why do you still want me  
When I don't want you  
You gotta get over me  
All in my face  
Up in business  
You gotta get over me  
I'm free to do my own thing  
So no more visits  
You gotta get over me

Oh oh oh oh oh (oh oh oh)

Oh oh oh oh oh (oh oh oh)

I done sold 30 mill (uh huh)  
Dated the men you wanted  
When it got too convenient  
I just gave it up  
I don't need the stress (uh uh)  
I don't need the pain (uh uh)  
I do need the checks (uh huh)  
But don't need the games (uh uh)  
You lie how could you and I  
Be the same  
When the house burnt down  
I took the blame (ha ha)  
When the money got funny  
I took it to court  
When most of ya'll chicks  
Wouldn't have even fought it

I do what I want to  
When I want to  
You gotta get over me  
But why do you still want me  
When I don't want you  
You gotta get over me  
All in my face  
Up in business  
You gotta get over me  
I'm free to do my own thing  
So no more visits  
You gotta get over me

I do what I want to  
When I want to  
You gotta get over me  
But why do you still want me  
When I don't want you  
You gotta get over me  
All in my face  
Up in business  
You gotta get over me  
I'm free to do my own thing  
So no more visits  
You gotta get over me

Yeah get over me  
Uh huh get over  
Yeah yeah get over me  
Uh huh get over me  
Yeah get over me  
Uh huh get over me

Yeah yeah get over me  
Uh huh get over me
