I don't watch TV
'cause I can't stand the news
It's always bad news
It's like havin' a fortune
And now you ain't got a dime
It's all bad news

Talk shows show us how sick some people can be
But I don't let that bother me
I keep my eyes to the sky
And God in my life
So it don't bother me
It's Alright

Chorus:
It's alright
Lets party tonight
We're gonna have a good time
Lets just party on
Till the break of dawn
We're gonna have a good time
'cause it's alright

I can't lose my mind
'cause if I do
Party over- oops out of time
Thoughts of war
Hangin' in my mind
Party over oops out of time

We'll see the day
Mysteries unborken
Talk of war no more
Graduation rates so high
Nobody's a fool
Now that's good news

Chorus:
It's alright
Lets party tonight
We're gonna have a good time
Lets just party on

Till the break of dawn
We're gonna have a good time
'cause it's alright

Wanna dance with a cutie
In the pale moonlight
It's my duty
Check two fresh and fruity
Sweet like candy ass
Make a pass for the booty

I fantasize interludes
When I'm in the mood
See me in the nude
No time to rewind
When the bass line rides for two
Feel me in the groove
I rock on and on till the break of dawn
Feet don't stop me now come and sing along
As I get distracted with a two step
Pop that foot in hard
Time to break a sweat
Let it play Mr. DJ
Stimulatin' on the floor
Till I can't dance no more
Gotta react
If the club is packed
Where the party's at
It's Left Eye at the back door (back door)

Chorus:
It's alright
Lets party tonight
We're gonna have a good time
Lets just party on
Till the break of dawn
We're gonna have a good time
'cause it's alright

Chorus:
It's alright
Lets party tonight
We're gonna have a good time
Lets just party on
Till the break of dawn
We're gonna have a good time
'cause it's alright

Let's party
'cause It's Alright
I'm alright

Party Over- Oops out of time
It's Party Time
And I'm alright
And he's alright (tonight)
Oooooooooo...

(Fade)
