(Babyface)

Pssssttt

Hey Hey

Yeah it's me again

But uh on this one

I really really want you

To check me out

I have a little special thang goin' on

All y'all might not be able to get with this

But uh those who can (yeah)

You know what it is

Could guess who I be (yeah)

And she be just like me (uh huh)

Take a good look at it

Look at it now

Might be the last time you'll

Have a go round

I'll let you touch it if you'd

Like to go down

I'll let you go further

If you take the southern route

Don't go too fast

Don't go too slow

You've got to let your body flow

I like 'em attentive

And I like 'em in control

Chorus:

Baby it's yours

All yours

If you want it tonight

I'll give you the red light special

All through the night

Baby it's yours

All yours

If you want it tonight

Just come through my door

Take off my clothes

And turn on the red light

I know that you want me I can  
See it in your eyes  
You might as well be honest 'cause the  
Body never lies  
Tell me your secrets and I'll  
I'll tell you mine  
I'm feelin' quite sexy  
And I want you for tonight  
If I move too fast just let me know  
'Cause it means you move too slow  
I like some excitement  
And I like a man that goes

Chorus

If you want me  
Let me know it  
I'll make time but  
You've got to show it  
If you need me  
I want to see  
But don't mistake me  
I don't want you down on your knees  
I need someone a real man  
I need someone who understands  
I'm a woman a real woman  
I know just what I want  
I know just who I am

Right about now  
You should let me into your mind  
A little deeper  
And if I'm not there yet  
Deeper (ha)  
You may say  
Who may this be  
But it's okay cuz it's me  
Who is she  
Anything your mind can see

Chorus

I'll give you the red light special  
All through the night  
Baby it's yours  
If you want it tonight  
Just come through my door  
Take off my clothes  
And turn on the red light

I'll give you the red light special Come through my door  
Take off my clothes And turn on the red light
