Shout

What's up ya'll?

(Hmm)

(Oww)

It's Left Eye on the track

(Hmm)

(Oww)

My girl T-Boz over to my left

(Hmm)

(Oww)

Chilli is on my right

(Hmm)

(Yeah)

We're gonna teach ya'll to shout

(Hmm)

(Unhh)

(Hmm)

Check it out

(Oww, yeah)

(Hmm)

What's up?

(Hmm)

What's up?

Shout

(Ooh)

Same damn time every hurt or two

Something can happen to put me in your mood

Keep it inside till I turn dark blue

Trash everything I ever gave to you

Brought it on the front of your lexus coupe

Didn't want to leave you with a lame excuse

Sex so good turns love to abuse

When you wanna leave love's got you in a noose

It's not just when I'm in bed

Sometimes I'm so frustrated

I keep it all in my head

Till I just can't take it no more

It's not just when I get mad

Sometimes it's 'cuz I'm so glad

That you are near me now

I just have to get it out

Shout

(Hmm)

You gotta let me get it out

(Hmm)

You gotta let it go away

(Hmm)

Don't wanna spend another day

(Hmm)

Unless I feel like you make me

Shout!

You gotta let me get it out

(Hmm)

The feeling won't go away

(Hmm)

Don't wanna spend another day

(Hmm)

Unless I feel like you make me

Shout!

Found somethin' in your pocket

And I don't know why?

I didn't say nothing' just sat and cried

Got me twisted all out inside

Not too long before the next ride

Over and over and over again

Instead of lettin' out I always let it in

This is where the confusion begins

'Cuz if it don't make me you don't win

It's not just when I'm in bed

Sometimes it's so frustratin'

I keep it all in my head

Till I just can't take it no more

It's not just when I get mad

Sometimes it's 'cuz I'm so glad

That you are near me now

I just have to get it out

Shout

(Aaa)

(Hmm)

You gotta let me get it out

(Oh yeah)

(Hmm)

You gotta let it go away

(Hmm)

Don't wanna spend another day

(Hmm)

Unless I feel like you make me

Shout!
(Shout!)
You gotta let me get it out
(Aaa)
(Hmm)
The feeling won't go away
(Go away)
(Hmm)
Don't wanna spend another day
(Hmm)
Unless I feel like you make me
Shout

Baby just tell me what you wanna do
I can't help bein' in love with you
'Cuz sometimes I need you to turn me out
'Cuz that's what lovin' is all about
(Shout)
Baby just tell me what you wanna do
I can't help bein' in love with you
'Cuz sometimes I need you to turn me out
'Cuz that's what lovin' is all about
(Yeah)
(Shout)

Check it
I knew that it was only time
Before my rhymes
Would dig into my mind
And get crazy out of line
I do my best
To never disrespect
My girls from TLC
All my friends don't let me
Speak my love and peace
It's all about
In this world with a doubt
Is you down for the count
Do your hoes still amount
To the price that we pay
To remain up in this crucial game
Call it a test
A game of chess
Let's play
Me and you one on one
(Hmm)
Breakin the ice
Till the water runs
(Hmm)
Down my face like a chase
Now do you hear the guns

(Hmm)
Here I come and won't quit
Until the job is done
(Hmm)
Quiet storms will inform you
That I've just begun
(Hmm)
Tippin' the spot till it's hot
If you want what I got
(Hmm)
See me down to the dot dot com
And keep it comin' with your best shot
(Hmm)
If you're short I care alot
And let's not

Shout
(Hmm)
You gotta let me get it out
(You gotta let me get it out, yeah)
(Hmm)
You gotta let it go away
(Hmm)
Don't wanna spend another day
(Hmm)
Unless I feel like you make me
(Feel like you make me shout)
Shout!
You gotta let me get it out
(Yea yea ohh)
(Hmm)
The feeling won't go away
(Hmm)
Don't wanna spend another day
(Hmm)
Unless I feel like you make me
Shout

Shout
(Ohh oh oh oh oh oh oh oh oh ohh)
(Hmm)
You gotta let me get it out
(Hmm)
You gotta let it go away
(Hmm)
Don't wanna spend another day
(Hmm)
Unless I feel like you make me
Shout
(Ohh oh oh oh oh oh oh oh oh ohh)
You gotta let me get it out

(Hmm)
The feeling won't go away
(Hmm)
Don't wanna spend another day
(Hmm)
Unless I feel like you make me
Shout
