Come here, got a package for you
Lemme think, wait, wait
I know what I want for Christmas
What you want?

I want T-Boz to get me, some headphone sets
And I want Left Eye to make me a, make me a fly dress
Oh, Merry Christmas from TLC

Let's have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheer

Have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheer

Just hear those sleigh bells jing-a-ling, ring-ting-ting-a-
ling, too
It's lovely weather for a sleigh ride together with you
Outside the snow is fallin' and friends are callin' you
It's lovely weather for a sleigh ride together with you

Let's have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheer

Have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheers

Reindeer, presents, happiness
Yeah, right, check it out
Giddyup, giddyup, giddyup and away we go
In winter wonderland

Off we ride in the snow, ho, ho, ho
With the Left everything is grand

Sleigh ride if you like me, baby
Don't be scared, take my hand

T to the Left Eye, C if you can take a glide
Giddyup the guts and step on up
So we can sleigh ride

Cheeks so nice and rosy
Comfy, cosy, we're in, we're snuggled up together
Like two birds of a feather would be
So let's take the road before us

Sing a chorus or two, oh
C'mon, it's lovely weather
For a sleigh ride together with you
Let's have a

Let's have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheer

Have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheers

Jingle bells, Batman smells
Robin laid a trick
Up, up and away, if we're flyin' in the sleigh
Home alone Christmas Eve, make believe, it's time to
play

So let's flow on this snow with a sack on my back
'Cuz Santa's tryin' to mack in his Cadillac
Ridin' and a ridin' but when it gets to decidin'
He's a slippin' and a slidin' in his own sleigh ride

A merry little Christmas
Oh yeah, hey, yeah
A merry little Christmas
Oh, oh

Baby, don't you know I'm home?
Don't wanna spend the night alone
A very Merry Christmas
Would ya wanna spend it with me?

It's somethin' in the way I care
About the times that we have shared
It's a very Merry Christmas

Would ya wanna spend it with me?

Let's have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheer

Have a very Merry Christmas
And a Happy New Year
Filled with love and joy and happiness
And lots of good cheer

Let's have a very Merry Christmas
Ho, ho, ho
