A lonely mother gazing out of the window
Staring at her son that she just can't touch
If at any time he's in a jam she'll be by his side
But he doesn't realize he hurts her so much
But all the praying just ain't helping at all
Cuz he can't seem to keep his self out of trouble
So he goes out and he makes his money
The best way he knows how
Another body layin cold in the gutter

Listen to me

Don't go chasing waterfalls
Please stick to the rivers
And the lakes that you're used to
I know that you're gonna have it
Your way or nothing at all
But I think you're moving too fast

Little precious has a natural obsession
For temptation but he just can't see
She gives him loving that his body
Can't handle but all he can say
Is "baby is good to me"
One day he goes and take a glimpse in the mirror
But he doesn't recognize his own face
His health is fading and he doesn't know why
3 letters took him to his final resting place...

Y'all don't you hear me

Don't go chasing waterfalls
Please stick to the rivers
And the lakes that you're used to
I know that you're gonna have it
Your way or nothing at all
But I think your moving too fast(2x)

Come on

I seen a rainbow yesterday
But to many storms have come and gone

Leaving a trace
Of not one God giving ray
Is it because
My life is ten shades of grey
I pray all ten fade away
Seldom praise him for the seven days

And like his promise is true
Only my faith can undo
The many chances I blew
To bring my life to anew
Clear and blue and unconditional
Skies have dried the tears from my eyes
No more lonely cries,
My only bleeding hope
Is for the folk who can't cope
With such an endure pain
That it keeps them in the pourin' rain
Who's to blame for tootin' into your own vein
What a shame you shoot and aim
For some one else's blame
You claim the insane for
This day and time for falling
Prey to crime I say the system's
Got you victim to your own mind

Dreams are hopeless aspirations
In hopes of coming true
Believe in yourself
The rest is up to me and you

Don't go chasing waterfalls
Please stick to the rivers
And the lakes that you're used to
I know that you're gonna have it
Your way or nothing at all
But I think you're moving too fast X2 (faded)
