[Rodney]

Darkchild, TLC, let's go

[T-Boz]

It seems like, when I'm with you  
Only crazy broads, seem to find you  
And I'm thinkin' like, how do they know you  
And just what are you into  
'Cause I'm diggin' you, if everything is cool  
But if you're playing games, it was good to know you  
But nigga you were cruel  
We could be stuck like glue  
But I refuse to be a fool

B-Section [Chilli]:

I wanna get with you but it just seems so crazy  
Are these girls necessary?  
Why are they all up on you?  
And why do you act like it's cute?  
I'm not gonna be your boss, you can try and play me  
It don't look that way, baby  
So let me know who you choose  
If I'm here waiting for you

Chorus:

I don't like to play around  
That's not how I get down  
No foolishness allowed  
Who's it gonna be  
I'm not stressing over you  
So whatcha gonna do  
Keep playing you lose  
Who's it gonna be

Ooohh, ooohh, ooohh  
Ooohh, ooohh, ooohh  
Ooohh, ooohh, ooohh

[T-Boz]

It doesn't feel right, when I'm with you  
Having these broads, keep approaching you  
If my thoughts are true, I will be with you

You will see just what I'll do  
But if my thoughts are wrong, then what you say is true  
I asked you to forgive, before accusing you  
I pray I'll never see the day go  
And you decide those chicks should be with you

B-Section [Chilli]:

I wanna get with you but it just seems so crazy  
Are these girls necessary?  
Why are they all up on you?  
And why do you act like it's cool?  
I'm not gonna be your boss, you can try and play me  
It don't look that way, baby  
So let me know who you choose  
If I'm not waiting for you

Chorus:

I don't like to play around  
That's not how I get down  
No foolishness allowed  
Who's it gonna be  
I'm not stressing over you  
So whatcha gonna do  
Keep playing you lose  
Who's it gonna be

[Left Eye]

It's been a minute since I seen you  
I've just been killing time  
Lettin' all these bitches know  
That you will always be mine  
Disappear then reappear  
We held it down through the years  
All the crazy shit we've been through  
Can't take no more tears  
Fell in love when I first met you  
Put you all on my team  
Introduced you to my crew  
Told you my every dream  
It was us against the world  
Nobody could come between  
Passionate, crazy shit  
If you know what I mean (let's go)

Chorus:

I don't like to play around  
That's not how I get down  
No foolishness allowed  
Who's it gonna be  
I'm not stressing over you  
So whatcha gonna do

Keep playing you lose  
Who's it gonna be  
Chorus:  
I don't like to play around  
That's not how I get down  
No foolishness allowed  
Who's it gonna be  
I'm not stressing over you  
So whatcha gonna do  
Keep playing you lose  
Who's it gonna be

[Rodney]  
Who's it gon' be?  
Who's it gon' be?  
Who's it gon' be?  
TLC  
[Repeat]

Chorus:  
I don't like to play around  
That's not how I get down  
No foolishness allowed  
Who's it gonna be  
I'm not stressing over you  
So whatcha gonna do  
Keep playing you lose  
Who's it gonna be
