(Verse 1)

If you're on your own  
You've got to pick up the phone  
And you know I'll be there for you

Don't you feel  
that my love is getting stronger

Can't you see  
what you doing to me  
never happened to me before

The look in your eyes  
Makes my realise  
That I'll never gonna let you go

(Chorus)

You're not alone  
I'm gonna save you for a lonely day

You're not alone  
I'm gonna take the emptyness away

You're not alone  
I'm gonna save you for a lonely day

You're not alone  
I'm gonna take the emptyness away

(Verse 2)

I've traveled so far  
In chasing my star  
I'll do anything you want my to

Can't you see  
That my heartbeat is going stronger

I'm flying high  
allthrough the sky  
even faster than the speed of light

And the look in your eyes  
makes my fantasy  
On the tings we can do tonight

(Bridge)  
You're not alone  
You're not alone

(Chorus)  
You're not alone  
I'm gonna save you for a lonely day

You're not alone  
I'm gonna take the emptyness away

You're not alone  
I'm gonna save you for a lonely day

You're not alone  
I'm gonna take the emptyness away
