A song for the TV show
Academic words should be used here
We can't say words like motherfucker
Bitch whore kiss my ass

Hey, I have got something to do
Let's do this just for fun
So come along with me

Hey, I wrote this song this morning
I made this just for fun
So sing along with me

Don't worry, it's so easy
Don't hesitate to sing

A song for the TV show
Academic words should be used here
We can't say words like motherfucker
Bitch whore kiss my ass

Don't worry, it's so easy
Don't hesitate to sing

A song for the TV show
Academic words should be used here
We can't say words like motherfucker
Bitch whore kiss my ass
