I don't care what you think about me
I'll never look back cuz it's my life

I know where I'm going
I know what I'm doing

I go on my way
Don't bother me now

You know this is the way I see
You know this is the way I feel
You know this is the way I go

And shall I tell you this one last time?

I don't care what you think about me
I'll never look back cuz it's my life

I know where I'm going
I know what I'm doing

I go on my way
Don't bother me now
