Why did you have to break me down,
So badly this time?
Why did you have to break me down,
So badly this life?

Why did you have to run on a night,
Like this?
I thought, I made it so beautiful.
I tried, my best to make it perfect for you.
Because, you were always so perfect for me.

All I ever wanted was to fly away with you.
All I ever wanted was to fly away with you.

But dear I was so scared that you would let me fall.
But dear I was so scared that you would let me fall.
But I don't see how I could when, I can't even take my
eyes off of you.
But I don't see how I could when, I can't even take my
heart off of you.

So I guess if you go down, I'm going down with you.
So I guess if you go down, we're going down together.
(All I ever wanted, was to fly with you.)
So I guess if you go down, I'm going down with you.
(All I ever wanted, was to fly together.)
So I guess if you go down, we're going down together.
(All I ever wanted, was to fly with you.)
So I guess if you go down, I'm going down with you.
(All I ever wanted, was to fly together.)
So I guess if you go down, we're going down together

But dear you were so scared that I would, let you fall.
But dear you were so scared that I would, let you fall.
But I don't (but I don't) see (see) how I could when,
(could when) I can't even take my eyes off of you.
But I don't see how I could when, I can't even take my
heart off of you.

All I ever wanted, was to fly away with you.
All I ever wanted, was to fly together.

All I ever wanted, was you.
