Darling, I let you in
So far you stole it so well
But
You can't make it work, so if you
Give it back this time I'll fix us
One more time
Then you can keep
It forever

I watched the time
Tick by for us
And to the sound
Of that we must
Just learn to
Walk away,
The fading glances
That we share
To convince that we
Still care
But we're forced to
Walk away

If I could take you
Home
Just one more time to stop
The clock
And we'll make this
Night never end

Darling, I let
You in so far you stole it so
Well
But you can't make it work,
So if you give it back this time
I'll fix us one more time
Then
You can keep it forever

Our
Fairytale we'll just leave open

For the end we're both still

Hoping
Might just come our
Way
So I wont stop believing this
Time
That the story might say
You'll be mine
And never walk
Away

It's a tragedy that's so
Sad to see
Why can't you
Be
Something more for
Me
There'll be no more
Heartache
Just a heart to
Take

You're too much to
Take
