I've searched this shoreline to see if you still care or  
wear  
my heart on your sleeve  
I've been waiting here hoping you'll come back home to  
carry me  
away to where we used to be  
but if your heart doesn't fall my way,  
please know i wanted you to stay, its lonely on my own

so take your take your time with me  
and kill me slowly ( x2)

just kill me slowly

I thought that you would never leave me  
you made our love feel so real,  
but that was then and where are you now,  
its just me and this shoreline you've sailed so far away

you stole my heart and i cant shake  
that you said i was just your worst mistake  
your worst mistake (X2)

these scars i wear cause you didn't care

so take your take your time with me  
and kill me slowly ( x2)

just kill me slowly

I've searched the shoreline to see if you still care  
or wear my heart on your sleeve  
I've been waiting here  
hoping you'll come back home  
to carry me away to where we used to be,

but if your heart doesn't fall my way  
please know i wanted you to stay  
to stay here with me  
but if your hart doesn't fall my way  
please know i wanted you to stay,

its lonely on your own
