Get off the stage boy, you can't hold a note
This crowds a deadly one I think they like you more
back stage (x2)

He swears he's not like everyone else, but this crowd is
as shallow as it gets they come just to get their fix,
But they can't see what he has inside, cause his tattoos
are just a disguise and all they want is a pretty face.

They never did know what to look for I'm sure romeo
was to busy falling in love to lust a mirror, boy you can
change this world one heart at a time so please start
here and just steal mine just steal mine, just steal
mine, and please don't change to what they want you
to be, cause all that matters is what you and I see, and
everything that we could be, so lets just make this, your
best piece, just sing pretty for me

Laaaaaa la la laa laa la laaaaaaaa la laaaaaaaa la la
laaaa
laaa la la la laaaaa la laaaaa la la laaa laaaaaaa

Stay on the stage boy, this crowd's just a joke.
Their glances are deadly ones, I know you like them
more backstage. (x2)
