Haven't you had a tear since you left?
I thought this would mean more to me
I know this hurts you more
Then it will ever hurt me

Something changed;
My heart? Your Love?
Cause nothing feels the same
In the time we shared
I thought I cared
Still nothing feels the same
Where did this heart I had go? [x3]
Where did you go?

Haven't you had a tear since you left?
I thought this would mean more to me
I know this hurts you more
Then it will ever hurt me

When I look back
I can't regret
The time I had with you
But baby can't you see
That you'll find someone better than me?

Where did this heart I had go? [x3]
Where did you go?

Haven't you had a tear since you left?
I thought there's plenty more to me
I know this hurts you more
Then it will ever hurt me

You'll never hurt me
Where did this heart you had go? [x3]
Whoa
Where did you go?
Where did this heart you had go? [x3]
Whoa
Where did you go?

Haven't you had a tear since you left?

I thought this would mean more to me
I know this hurts you more
Then it will ever hurt me[verse x2]
