It seems it's finally paying off, cause tonight you'll
make it out alive.
They're so far behind. They're so far behind!
And it seems it's finally paying off, cause tonight you'll
make it out
Alive! They're so far behind...

Speed it up, kid, just a little more!
If you want to settle,
Speed it up, kid, just a little more,
If you wanna settle!
'Cause I'd buy those lines right off your lips right off
your lips tonight!
(If you wanna settle!)
'Cause I'd buy those lines right off your lips right off
your lips tonight!
(If you wanna settle!)
'Cause I'd buy those lines right off your lips right off
your lips tonight!
(If you wanna settle!)
You've got what it takes to beat my heart!
To beat my heart!

We're fashionably burning out. Our threats are frayed
in doubt, oh dear.
It's finally paying out to have no taste.
They say dying is what's "in".
They say it's the latest fashion...

Speed it up, kid, just a little more!
If you want to settle,
Speed it up, kid, just a little more,
If you wanna settle!
'Cause I'd buy those lines right off your lips right off
your lips tonight!
(If you wanna settle!)
'Cause I'd buy those lines right off your lips right off
your lips tonight!
(If you wanna settle!)
'Cause I'd buy those lines right off your lips right off
your lips tonight!

(If you wanna settle!)
You've got what it takes to beat my heart!
To beat my heart!

Refrain 1: 'Cause I'd write those lines right off her lips
tonight! (x3)

Refrain 2: It's the rush that keeps us wanting, keeps us
wanting! (x3)

Refrain 3: It's something like forever beats a minute.
Forever beats a
Minute!

That's good enough for me, or the next. You'll sell them
more with those

Lines. You'll sell them more with those lines! You'll sell
them more with

Those lines! (x2)
