We masquerade around this floor
But no one seems to see what we are,
These masks they hide it all forgetting who we were

So dear just drop the act tonight I'll lose my mask if
you'll lose yours, let us see what we could be for the
very first time

O my lady may I have this dance tonight
O my lady may I have your hand tonight
We beat our shadows into the floor I'm all in tonight I'm
all in
You beat your heart into mine I'm all yours tonight I'm
all yours

So dear just drop the act tonight
I'll lose my mask if you lose yours,
Just drop your heart to the floor and make this last

May I have this dance just take me for what it's worth
Because this is all I have
May I have your hand just take mine for what I'm worth
Because you are all I am
